

**Christian Education Support
(Budgeted Support for All)**
2019-2020

As a church, we value Christian education and we are committed to helping all of our families provide Christian education for their children. It is each family's responsibility to make choices about what form Christian education takes for each of their children. All Saints Church supports participation in co-ops, schools (of all kinds), and homeschooling.

This form is not for need-based aid. Our Christian Education Support fund is used by All Saints Church to help all of its school-aged members to receive a Christian education. Please fill out the information below and return this completed form to **Michelle Suereth** (michellesuereth@gmail.com) via email or hard copy, and it will be reviewed by the deacons.

Please submit this form no later than August 7, 2019.
